

# FAMILY CARE CAMBODIA

2023  
Fourth Quarter  
Activity Report

We closed the year 2023 with an action packed 4th quarter. We hope you enjoy the photos and accounts of what your concern and support helped bring to pass!

## Special Olympics 2023

In November, we assisted the Cambodian Special Olympic Committee in hosting the 2023 Games and Family Health Programs. After a 3 year hiatus on large sports gatherings, it was a joyful event for hundreds of children with various learning disabilities and mental health issues. Children & youth from many distant provinces traveled to the capital to participate in football, track and field games in the national stadium. Our 4 man team of Alex, Ann, and HS students. Solo & Estina, distributed the drinking water and lunch boxes we'd provided, for 400 mentally challenged athletes, their trainers, caregivers and families. Each lunch box had rice, meat, vegetables and a healthy desert. We also assisted in handing out medals to the winning athletes and cheering on the young competitors!

*Handing out Medals*

## Celebrating our Graduates- Siem Reap

We held a Year End Graduation Celebration for students and their parents at our free education programs in Siem Reap. The 67 grade 6 English and Computer students from Phum Thnal Primary School & Sandan Primary School received framed graduation certificates. We also celebrated 40 English and Computer students from both schools (160 students total) who ranked in the top 5 of their classes. These students from level 01 to level 04, each got a framed award certificate for their achievements. And the top 3 students in each class -48 in all- were awarded a \$5 Gift Voucher. We rented a bus to bring the students to the stationary shop to choose the school materials themselves. Such fun!!

## A Christmas to Remember!

Thanks to the generosity and prayers of so many of you, we were able to organize lovely Christmas celebrations for all of the orphans, students, staff, village families and elderly we've served throughout the year. Each of the 5 events we hosted, was so full of fun, love and joy. Below is a pictorial presentation which we hope captures some of the happiness you helped us to share. We came to the end of 2023 with grateful hearts. We are look forward with hope to all of the goodness and challenges this new year, 2024, will bring. Thank you for your friendship and encouragement. We are blessed to partner with you. Happy New Year!

**Family Care Cambodia is a non-profit, volunteer organization. The activities you have just read about were made possible through donations from businesses and concerned individuals. If you would like to help sponsor our projects or volunteer, visit our website, [www.familycarecambodia.org](http://www.familycarecambodia.org)**

***We look forward to hearing from you!
