

# FAMILY CARE CAMBODIA

2025  
Third Quarter  
Activity Report

## Happy Happenings in Siem Reap

*English Dictation*

*Question/Answer Time*

*Creating Excel Charts*

*Prize Vouchers*

In July we organized a competition for our students. The event was attended by parents, school directors and officials from the local government and Department of Education. In the morning session, students demonstrated their proficiency in English dictation, essays and spontaneous question and answers. In the afternoon our IT students competed in English and Khmer typing, making Excel tables and doing basic photo layout. Certificates were awarded and the top 3 students in each exercise received prize vouchers for lunch at a restaurant and shopping for school supplies!

*Alex & Faculty at  
Graduation Ceremony*

Then in September, Alex was invited to attend the annual graduation ceremonies. The students who successfully completed 6th grade received their diplomas and will move on to Junior High School in the new school term. We're so

*Before*

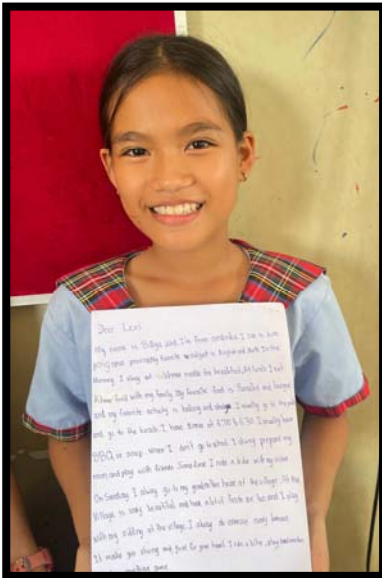

proud of their solid academic achievements!

We also helped to renovate one of the lavatories at Sandan school that was in desperate need of an upgrade. Check out the results!

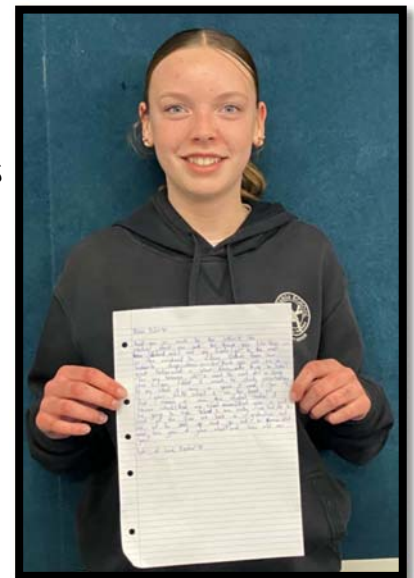

*After*

## Pen-Pals from New Zealand!

We kicked off a pen pal program between our 4th level English students at Ruby School, Kampong Speu and students from Kaharoa School in New Zealand. Thanks to Lynden C., Principal of Kaharoa, for suggesting the venture! Our students are delighted to make new friends and learn about life in another country. It's also a great way to cultivate the art of expressing oneself on paper.

## More Awesome Volunteers

In July, Ms. Amy R. from Ireland came to lend a hand at Ruby School. She taught in the Kindergarten class, helped set up our new Computer room & oversee the basic typing and computer literacy class. She even revamped and upgraded our website! Then in September Charlie and Rael, who are attending seminary in Bangalore, came and helped teach our older students, paint 2 of our classrooms and assemble new student desks. A big thank you for their help & input! Are you

thinking to volunteer? Please get in touch!

## Holiday Fun for Shelter Girls

School holidays in Cambodia began in September. For 2 months our girls at Ruby Children's Home will have a chance to relax, visit family if possible and have some remedial tutoring in math and Khmer language. And we have time for fun projects like baking chocolate cake and having a picnic and excursion to the Water Park! It was their 1st time to a swimming pool and they all had a blast!

## Special Olympic Games in Kampong Speu

We assisted the Cambodian Special Olympics team in organizing a provincial competition in Kampong Speu. Mentally challenged children and youth attended from 3 provinces- Kampong Speu, Takeo and Kandal- about 120 in all.

Both boys and girls teams competed in soccer matches, track and field events and boules. Despite the fact that we are in the peak of monsoon season, we had a rare, bright and breezy day for the event! It was awesome.

We were able to provide all of the young athletes, their coaches and caregivers with plenty of drinking water and a delicious lunch of grilled meat, egg omelet, rice and salad.

A highlight of the event is awarding 1st, 2nd and 3rd place medals to the winners of the various races and matches. It was a very happy day!

***"The greatest gift anyone can give to another is the gift of a happy memory."***

**Family Care Cambodia is a non-profit, faith based organization. The activities you have just read about were made possible through donations from concerned individuals. If you would like to sponsor our work or volunteer, contact us at [familycarecambodia@pm.me](mailto:familycarecambodia@pm.me) or visit our website, [www.familycarecambodia.org](http://www.familycarecambodia.org)**

**We look forward to hearing from you!**
